Parent Survey - Nursery Pupils

Due to Government directive, we have been instructed to consider opening our Nursery provision to all children despite the rest of the school only being open to Key Workers and Vulnerable pupils.

To that end, we have reviewed the school Risk Assessment and feel we may be able to open for some children.

However, parents should be following the DFE guidance, and only sending their child to nursery IF there is nobody at home to look after them.

Tapestry Activities for Home Learning are available for all Nursery children.

We will be prioritising parents that have exceptional circumstances but please do still respond if you are interested in a place without those circumstances. Please be aware we may not be able to provide your child's normal hours.

Could ALL parents of Nursery (F1) pupils (except those currently in school) complete this short survey below so we have a FULL picture of parent opinion and potential interest. Please take account of the DFE advice in your response. Could this be completed by 11am on Monday, 18th January.

Many thanks

Pilsley Primary School.

Survey link, please click and it will take you to the online survey:
