

Remote / Home Learning Survey

Friday, 29th January

Dear Parents/Carers,

We are asking parents to complete the following survey to help us assess the impact of the Home Learning provided by the school.

This is not a measure of how much work your child has completed and at the end of the survey you will have the option to remain anonymous if you wish.

The information will only be used in school to provide staff and School Governors a 'feel' for the programme provided and to improve any aspects of Home Learning in the future.

Please click on the link below, it will take no more than 5 minutes.

Thank you for your support

Yours sincerely
